

WHY EKONOMIK?

Here is why, in my opinion, ZSP1
Zamość is the perfect choice of
education

Diverse choices of education

This is the place full of them!

To prove that, the two next slides are filled with the offer of our school.

01 Graphic designer

The graphic arts and digital printing technician is an interesting and modern direction that gives great opportunities for the future. The student learning this profession acquires knowledge in the field of computer graphics, photography, multimedia and IT. In our computer graphics studio, thanks to equipping it with modern hardware and software, we are able to show our students all stages of development and production of printing products

02 Logistician

Everything that industry produces has to be transported somewhere, delivered, stored, and this is the area of economic activity that is dealt with in logistics. Logistics is the flow of materials, information and money within and between enterprises. Logisticians deal with activities aimed at reducing operating costs and increasing the profits of the enterprise

03 Hairdresser

A hairdressing technician performs hairdressing treatments using a variety of tools using specialized hairdressing gear and materials. They take care of equipping workstations with the necessary tools, utensils and materials, follows hairdressing fashion and techniques.

04 Photographer

In a professional photo studio and outdoors, you will learn how to take portrait and advertising photos, and then correct and format them in advanced image processing programs or create various multimedia projects in graphic programs.

05 Economist

Education in the profession of an economist is aimed at preparing students to efficiently perform various professional tasks in the conditions of a market economy. It creates great opportunities for employment in various positions, and the acquired professional skills enable to graduate to establish and run their own business

06 IT Specialist

IT specialist deals with network administration, website design, programming, as well as diagnostics, repair and configuration of equipment, implementation of programs, development and improvement of information technologies. In our school, you learn in specialist laboratories equipped with the equipment currently required by examination centers

07 Hospitality Technician

The hotel technician is a service profession. In our school, this fact is emphasized throughout the course of education. Thus, we pay attention to developing skills regarding proper behavior, attitude, habits, how to respond to the wishes of a hotel client and proper service, constantly referring to the principles of ethics and professional culture

08 Computer programmer

With the advancing digitization and automation, the demand for employees who are able to prepare enterprises from the technological side will only grow. Programmers will also find employment in the broadly understood media - in the design and production of computer games, films and television programs, as well as on Internet platforms

09 Commerce Technician

A commerce technician organizes commercial activities in a production and service company and the functioning of a trading company, analyzes the market in terms of customer expectations and needs and their market behavior, conducts negotiations with suppliers and recipients in order to achieve the most favorable conditions for the purchase of materials and the sale of goods and services

10 Accounting Technician

Your work will consist in operating digital platforms and contact with such tools as spreadsheets, invoicing, billing, tax, insurance and HR and payroll programs.

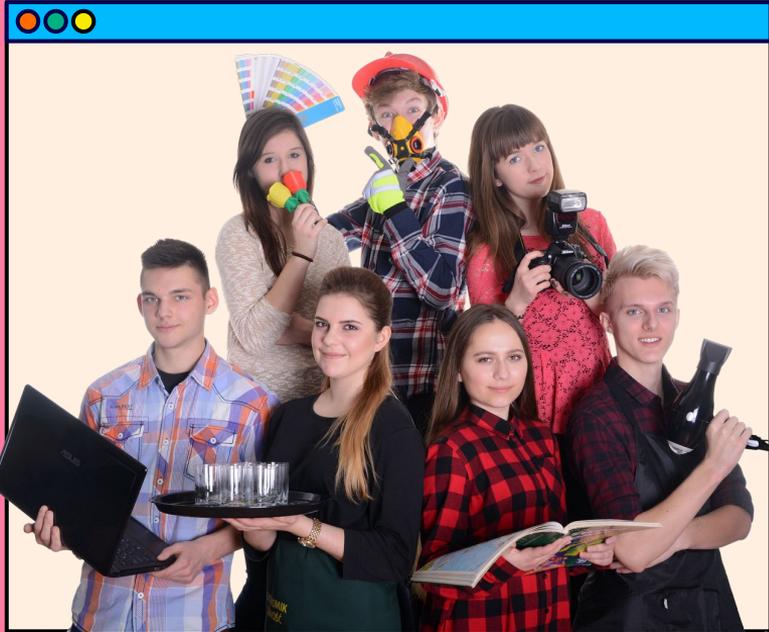

11 Forwarding agent

The forwarder deals with the organization of deliveries, securing the cargo and the rights of the parties involved in the organized transport. The main task of the forwarder is to organize transport from the supplier to the recipient, in accordance with applicable law and good customs

New workspaces and equipment

Focus on hobbies

In this school you can easily study things that correspond with your interests!

- ◆ With us you will be able to further develop your passions such as art, graphic, dance, photography, vocal, theater, languages and sports!

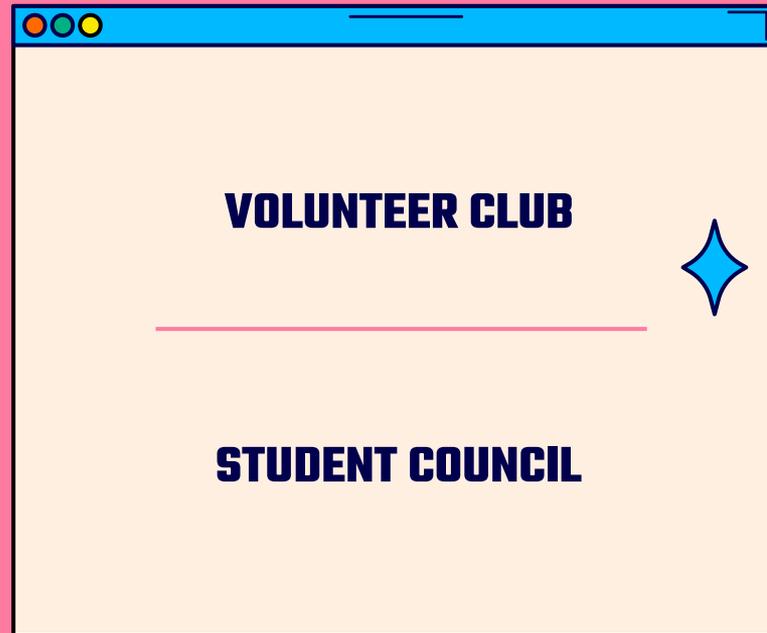

School activities

ZHP

CISCO

This window frame contains the text 'ZHP' at the top, a horizontal pink line in the middle, and 'CISCO' at the bottom. It is decorated with blue and green starburst graphics.

VOLUNTEER CLUB

STUDENT COUNCIL

This window frame contains the text 'VOLUNTEER CLUB' at the top, a horizontal pink line in the middle, and 'STUDENT COUNCIL' at the bottom. It is decorated with blue and green starburst graphics.

Teachers

80%

Female

20%

Male

Teachers can be intimidating for a new student, however fear not, as in this school you can only meet great teachers that'll always help you out with your problems whenever you're in need of assistance.

A pink graduation cap with a yellow tassel and a blue tassel is positioned at the top left. The cap is surrounded by several colorful stars in shades of blue, yellow, green, and orange. To the right of the cap is a large pink rectangular box with a blue border at the top. Inside the box, the text "How long?" is written in a bold, dark blue font. Below this text, a paragraph of text in a light pink font reads: "Studying here for 4-5 years is the perfect time to mature up and get ready for your adult life." To the right of this text is a large yellow play button icon. The entire scene is set against a light beige background with a white cloud-like shape at the bottom right and a pink star at the bottom center.

How long?

Studying here for 4-5 years is the perfect time to mature up and get ready for your adult life.

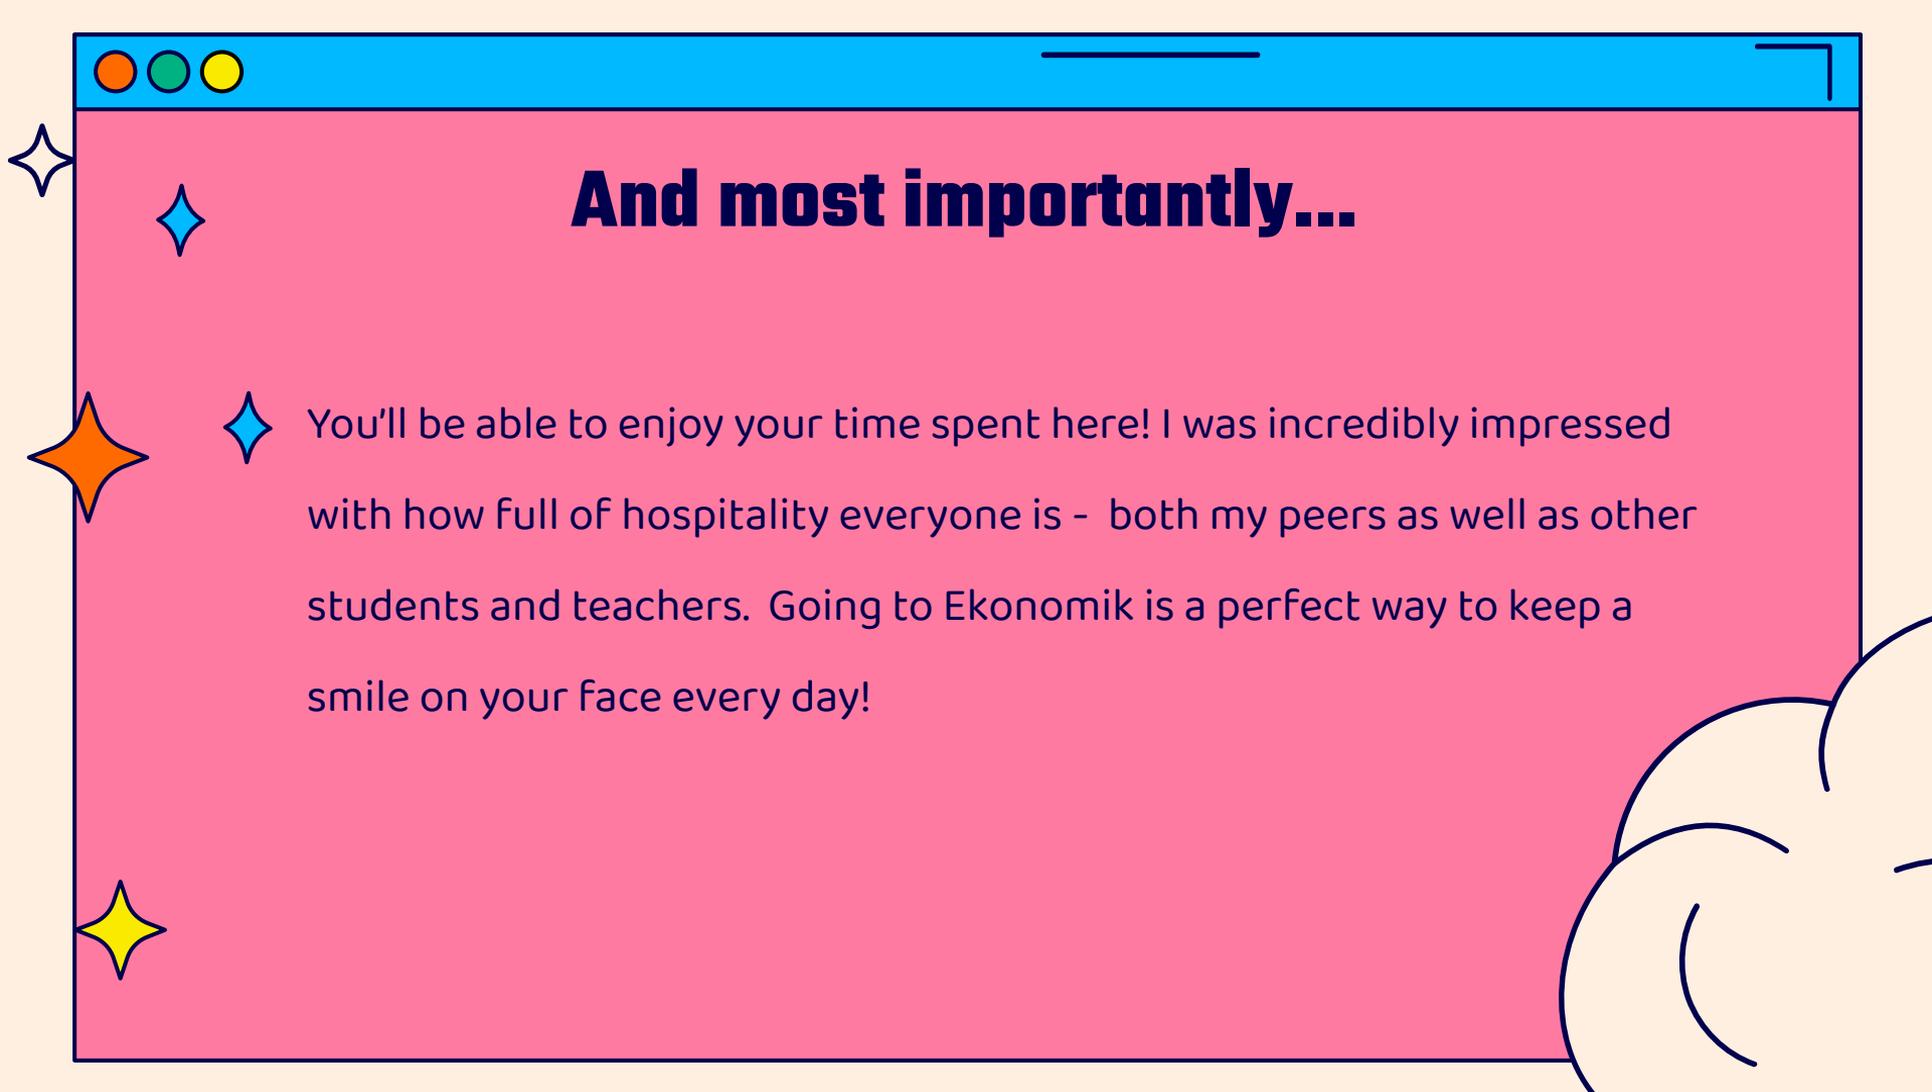

After finishing school?

After finishing education, you will find employment - the school has signed patronage agreements with employers from Zamość, thanks to which our graduates gain a guarantee of employment.

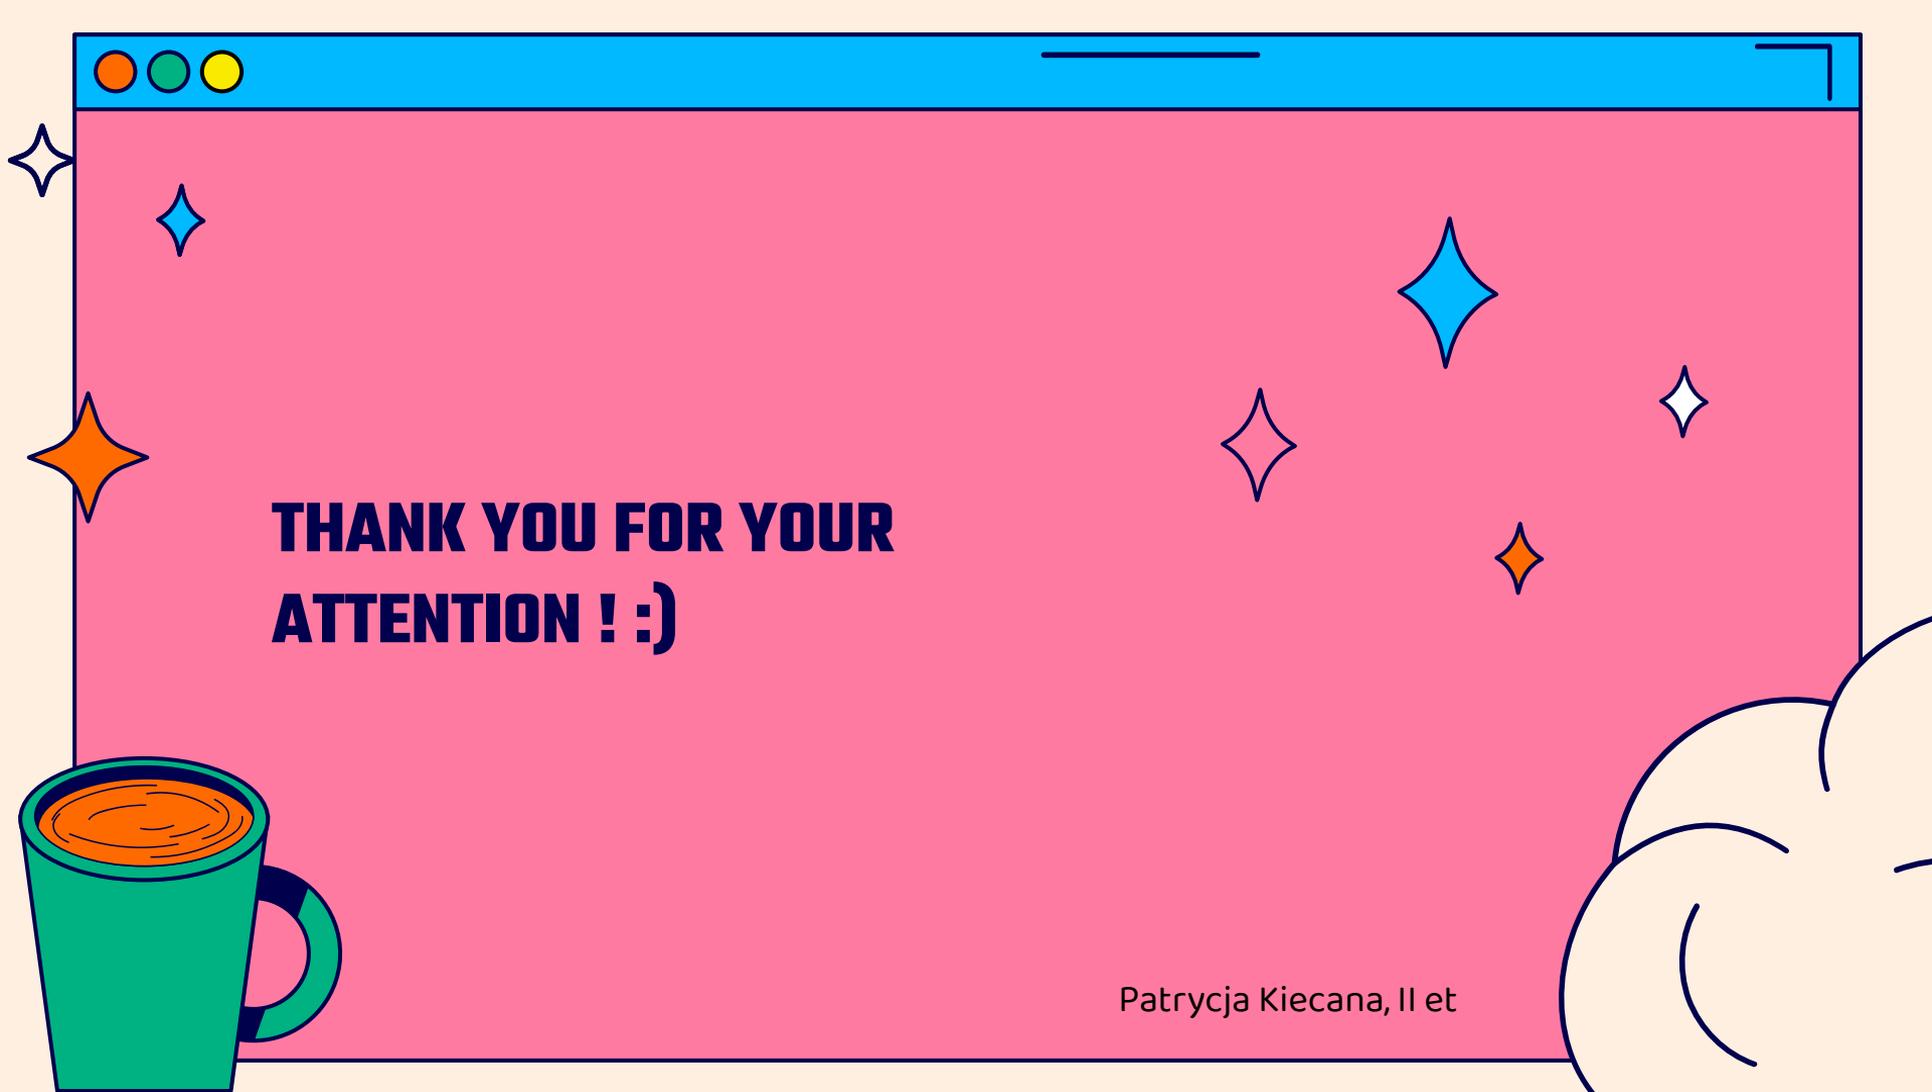

...And most importantly - Great memories!

And most importantly...

You'll be able to enjoy your time spent here! I was incredibly impressed with how full of hospitality everyone is - both my peers as well as other students and teachers. Going to Ekonomik is a perfect way to keep a smile on your face every day!

**THANK YOU FOR YOUR
ATTENTION ! :)**
